Bob:

I have ordered and have received copies of documents pertaining to the Estate of V. C. McGinnes and the Estate of Ruby McGinnes (his wife). Neither Inventory lists any property in Harris County, Texas – so, it appears to me that they made no claim of ownership of the San Jacinto River Property for at least as far back as 1993 for Mr. McGinnes and 1995 for Mrs. McGinnes. I think we're good to go on the excheat angle of the case.

I will keep you posted.
